Volume Ten

MR. MULLAN - a great guy . . . teaches through knowledge and personal experience . . . athletic director . . . always around to help . . . projects a keen interest in all activities . . .

If you can talk with
crowds and keep
your virtue,
Or walk with kings -
nor lose the
common touch,
If neither foes nor
loving friends
can hurt you,
If all men count
with you, but
none too much;
If you can fill the
unforgiving minute
With sixty seconds'
worth of distance
run,
Yours is the earth
and everything that's
in it,
And - which is more -
you'll be a Man,
my Son!
